Go Further with Imagine EdgeEX™ World Language Courses

Built-in features designed to support comprehension

Imagine EdgeEX's innovative features and supports help students grasp important concepts and deepen their understanding so that language courses promote cross-disciplinary learning.

World language courses are transformed in Imagine EdgeEX:

✓ **New Culture Spotlights:**
Students learn about the heritage, products, traditions, and customs of French- and Spanish-speaking countries in all-new Culture Spotlight activities.

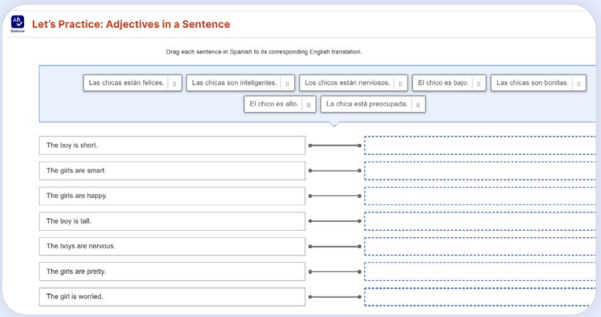

- Culture Spotlight

✓ **Tests and Exams Reflect Customization:**
When lessons are reordered or removed, tests and exams automatically update to reflect the changes.

✓ **Comprehensive Bias and Sensitivity Review:**
All course activities have been reviewed and updated to eliminate bias and sensitivity issues.

✓ **Updated Grammar Instruction:**
Grammar instruction has been revised for clarity and detail.
