LEADING WITH SUCCESS

Audience: Administrators

Session Title	Description
Best Practices to Lead with Success	Administrators learn about EdgeEX and complete required set up tasks to prepare their districts and schools for the launch of the program. Topics include: settings and permissions, new EdgeEX catalogs and adding courses, managing new EdgeEX hubs, creating sections, progress monitoring and reporting, and more.

GETTING STARTED

Audience: Educators

Session Title	Description
Getting Started with Imagine EdgeEX	Teachers learn about EdgeEX and complete required set up tasks to prepare their classrooms and students for the launch of the program. Topics include: New educator and student experiences, My School Catalog and course hub, enrolling students and managing EdgeEX sections, progress monitoring and reporting, best practices, and more.
Best Practices with Reports & Data	Gain a foundational understanding of the engagement, progress, and achievement metrics. Discover key reports, learn how to identify learning gaps in both group and individual data, and leave equipped with monitoring strategies and steps for student goal setting
Course Customization for Educators	Learn how to plan and build customized courses for both individuals and groups. Examine course structures and customization tools and participate in course customization

Our PL Specialists will partner with you to tailor sessions to your implementation goals.
