Test Prep

Prepare for national exams with Imagine Edgenuity®

Imagine Edgenuity is proud to offer online test preparation courses to help students improve their scores on national exams. The courses leverage diagnostic tests to identify students' strengths and weaknesses, creating a personalized learning path for each student.

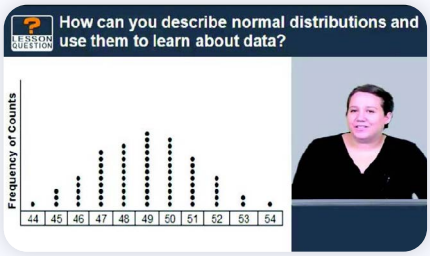

Courses Offered:

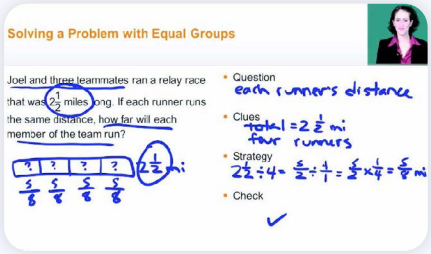

- PSAT®
- SAT®
- ACT®
- GED®
- HiSET®
- ACCUPLACER®
- ASVAB®
- ACT WORKKEYS®

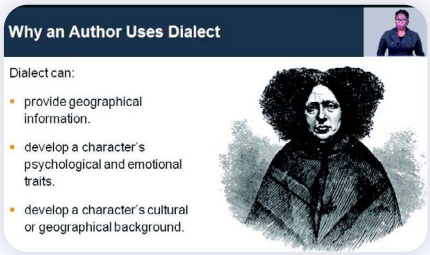

Improve scores with a proven instructional approach

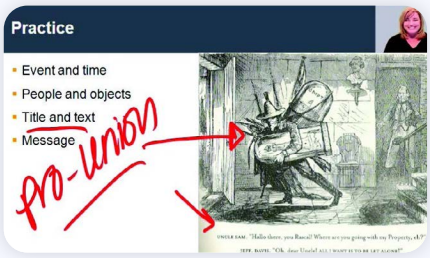

Imagine Edgenuity's evidence-backed courses help students prepare for exams with:

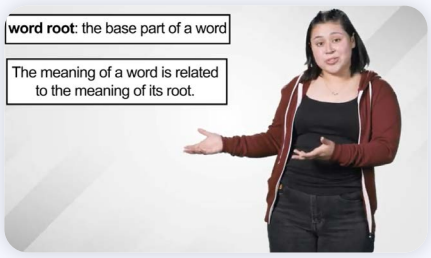

- **Engaging, video-based instruction by expert teachers**
- **Diagnostic pretests**
- **Individualized paths of study**

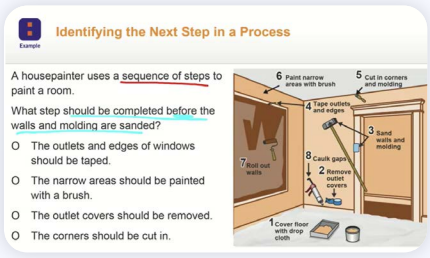

On-Demand Tutoring available seven days a week

Students have access to highly qualified online tutors for real-time, one-on-one support when they need it — even on weekends.

Give students the instruction they need to feel prepared for national exams.
