Giving teachers 25% of their time back with Fast Track

Fast Track: A Comprehensive NGSS/3-D Learning Program at an Accelerated Pace

Twig Science Elementary's Fast Track is for teachers who don't have the luxury of time for science every day. It delivers a complete NGSS/3-D learning program in fewer lessons than the Twig Science Full Course and includes the same phenomena, standards, and STEM-role narratives... just at an accelerated pace.

Fast Track includes:

- Pacing Guides for Fast Track lessons that include lesson timing, summary, and standards covered ✓
- Google Slides Customized for Fast Track lessons ✓
- Access to resources like teacher provided materials lists, comprehensive lab kits, the Anchor Phenomenon Fast Track Notebook, hand-outs, trackers, videos, and read-alouds ✓
- Fast Track Assessment Summary for each Module ✓
- Comprehensive Lab Kit and Teacher Provided Materials lists ✓
- Fast Track Fast Track correlation to the Full Course lessons ✓
